Marketing and communications professional with experience in higher education, agency, and hospitality marketing. Currently pursuing a Master of Science in Marketing at Clemson University while developing marketing strategies, digital campaigns, and content that strengthen brand engagement and support organizational goals.

EXPERIENCE

Marketing Graduate Assistant, Clemson Experiential Learning — *June 2026-Present*

- Supporting the Quality Enhancement Plan (QEP) by developing and executing marketing strategies to promote experiential learning on campus.
- Collaborating with the QEP Director and UPIC interns to manage marketing initiatives and support strategic goals. Developing digital and print marketing materials for students, stakeholders, and university leadership.
- Conducting research and analyzing higher education marketing trends to inform communication strategies.
- Partnering with Clemson University's Marketing and Communications department to execute experiential learning marketing initiatives and promote Clemson University's mission by advancing awareness of experiential learning opportunities.

Project Coordinator, Innovated Studios — *July 2025-May 2026*

- Responsible for supporting sales and marketing initiatives to achieve campaign objectives and drive revenue growth.
- Coordinated cross-functional teams across sales, creatives, and operations to support the delivery of client projects and marketing campaigns.
- Utilized Jira, Teamwork, and Microsoft Office tools to track workflows, manage tasks, and maintain clear communication across teams.
- Managed project planning, timelines, sales follow-ups and deliverables to ensure on-time execution and consistent follow-through.

Guest Relations, Walt Disney World — *May 2025-July 2025*

- Delivered outstanding guest service at Walt Disney World through personalized support, effective communication, and cross-department collaboration, consistently aligning experiences with Disney’s Five Keys.
- Managed guest inquiries as a primary point of contact for parks, attractions, dining, accessibility services and general park inquiries.
- Executed service recovery and problem-solving strategies in high-volume environments, collaborating across departments to resolve issues and exceed guest expectations.
- Consistently recognized by leadership for delivering outstanding guest service and enhancing overall park experience while supporting daily operations.

Disney College Program Merchandise, Walt Disney World — *January 2025-May 2025*

- Successfully completed a second Disney College Program with a merchandising concentration, with formal training in operational processes and customer focused communication.
- Enhanced marketing and social media expertise through workshops and executive-led classes facilitated by Disney, applying insights to drive engagement and strategy.
- Earned multiple recognitions for excellence in customer service and for consistently creating memorable, high-quality guest experiences.

Supervisor and Social Media Marketing, Cafe Moka — *August 2023-December 2024*

- Delivered barista expertise in customer service by efficiently taking and processing orders, maintaining high-quality standards, and executing opening and closing operations.
- Supervised employees, managed transactions, streamlined order processing, and provided support to baristas on shift.
- Collaborated with management to curate engaging social media content, enhancing the cafes brand presence and customer experience. Developed seasonal holiday menus and seasonal social marketing campaigns.

Blue Line Technologies Marketing Intern — *June 2023-August 2023*

- Marketing Intern conducting technology research, data analysis, and developing customer profiles to drive sales.
- Researched industry trends and competitive landscape to improve marketing strategies.
- Assisted in the development of marketing campaigns to boost brand awareness and engagement.

Disney College Program Merchandise & Trainer — *August 2022-June 2023*

- Disney College Program Participant with a concentration in merchandising. Trained to work at theme parks, resorts, and Disney Springs.
- Promoted to Disney Cast Member Trainer, responsible for training and onboarding new Cast Members. Provided instruction in customer service, inventory management, retail sales techniques, and opening and closing procedures at Disney retail locations.
- Received the “Magical Merchant” award, a quarterly award given to those who exemplify excellence in service and uphold the philosophy of Walt Disney World Resort.

Weddington Middle School Dance Team Coach/Choreographer — *2019-2023*

- Choreograph all middle school dance team performances. Organize all tryouts and dance clinics, ordering of all dance season supplies and work with the athletic director and parents throughout the dance season.

MARKETING PROJECTS/FREELANCE

Charlotte Touchdown Club — *Fall 2022*

Developed promotional materials for a key business software sponsor of the Charlotte Touchdown Club.

Digital Brand Promotion with East Bower Cider Co — *August 2023-December 2023*

Conducted company research and data analysis, and developed a strategic brief to deliver social media content and a comprehensive creative campaign for East Bower.

Sales and Marketing with BioLink Life Sciences — *August 2023-December 2023*

Conducted competitor research analysis for BioLink, provided recommendations for website enhancements, and developed a marketing presentation slide deck. Created a slogan and graphic, along with multiple LinkedIn posts.
